

## **HAVOC AT HARRISON HOSPITAL – Book Club Questions**

1. Nora Brady is a student nurse, working in her community hospital. What were your first thoughts about Harrison Hospital? Is it someplace you would consider working, even if you knew that a murder had happened there? Why?
2. Working in a hospital as a nurse involves working with many other providers—physicians, therapists, etc. What were your thoughts about some of these people? Did it make you think about a nurse’s job in a hospital?
3. There are several disagreeable characters at Harrison Hospital. Who would you be least likely to trust? Why?
4. Who was your favorite character(s)? Why?
5. What did you think of the patient care at the hospital? Were the patients receiving good patient care overall by the nurses? By the doctors?
6. What did you think of Frank and Sandy Gherig? Did they surprise you at any point?
7. Nora has many friends, including her landlady Stella. What did you think of her friendships? Friends can play a definite role in the way a main character learns important information. What kinds of information does Nora learn from her friends in this story?
8. Sometimes, Nora leaps before she thinks. Did you have concerns about some of the situations where she placed herself? Which ones?
9. Were you surprised by the person(s) who committed the crimes? If you guessed, what clues had you noticed? If you were surprised, who did you think it would have been instead? Why?
10. Were you satisfied with the ending? Did it make sense and tie up all the loose ends? If you weren’t satisfied, what left you hanging?
