

## HAUNTING – BOOK DISCUSSION QUESTIONS

1. Have you ever renovated your own house, or known someone who did renovate theirs? Did you or they ever find something unexpected in the house? Did you, like Elle O'Connell, ever feel the presence of someone who might have previously lived there?
2. Elle seems to be a rather private person. If you had known her, how would you have explained the changes you noted in her? What would you have suggested she do?
3. Do you believe in the possibility of ghosts or spirits? Do you believe there can be both good and evil spirits? What does the concept of exorcism mean to you?
4. Are there any characters you wish you could have given advice? Who? And what would you tell them?
5. What did you think of Tom King? Do you think he should have been more aware of the changes in Elle's demeanor? What was the turning point for him?
6. Did you have a favorite character? What made them special? Who was your least favorite character? Why?
7. Did this story challenge or change your perspective or opinion on something?
8. What did you think of the spiritualist, Celina? Do you think there are people who can communicate with the dead?
9. What was the most memorable or shocking scene or twist in the story for you?
10. How did you feel about the ending? Did it make sense and tie up all the loose ends? If you weren't satisfied, what do you think happened to the characters after the end of the story? Did you want more?
